

Planning a visit to Fellowship Barbourville?
Here are a few things that will make your first visit here a rich experience!

We've got you covered on parking! We have several spaces laid out special just for you in our parking lot!

Once you've found your parking space, drop by Guest Services in our Welcome Center! Grab a T-Shirt from one of our volunteers—it's on us!

Right behind our Guest Service cart is our Connection Wall! Stop by to get information on our Growth Groups, ministry opportunities, and access to our church app!

Feel free to pick any seat you'd like in our Worship Center! Currently, we've roped off every other row to help maintain social distancing, but don't worry about "stealing" someone's seat—we don't do assigned seats around here!

In the middle of each pew is a handy sheet with QR code's that'll help you access our bulletin, sermon notes, and giving!

If you're bringing kids ages 0-5th grade, they are welcome to either sit in on the service with you or join our Village Street Children's Ministry!
